The said Municipality shall comprise all those pieces or parcels of land hereinbefore described.

The Council shall consist of a Mayor and six Aldermen, and the whole number present at each meeting thereof shall not be less than four.

The nomination for the first election of a Mayor and Aldermen shall be held at the Municipal Hall, North Vancouver, on the third Saturday after the date of these letters patent, at twelve o'clock noon, and the polling (if any) shall be at said Municipal Hall on the Saturday following the said day of nomination, and shall continue for one day only, and the poll shall be kept open between the hours of 9 a.m. and 7 p.m., and Alexander Philip shall be the Returning Officer thereat.

Seven days' notice of the time and place of nomination and of the holding of the poll (if any) shall be given by the said Returning Officer in a newspaper published or circulating in the said City, and further for the like period shall be posted up on the entrance door of the said Municipal Hall.

The said Returning Officer shall provide a ballot box and the necessary ballots for use at the said first election, and he shall, as far as possible, conduct such election in all respects in conformity with the provisions of the "Municipal Elections Act."

The persons qualified to be nominated for and elected Mayor of such Municipality at the first election shall be such persons as are male British subjects of the full age of twenty-one years, and who have been for the three months next preceding the day of nomination and are then the registered owners in the Land Registry Office of real property situated within the limits of the City of the assessed value on the last revised Municipal Assessment Roll of the District, or the last revised Municipal Assessment Roll for school purposes of District Lot 273, of five hundred dollars or more, over and above any registered charge, and who are otherwise duly qualified as voters.

Until the said City Municipality is divided into wards, the Mayor and Aldermen shall be elected by those qualified to vote in the whole City.

The Mayor and Aldermen at such first election shall hold office until his or their successor, or a majority of their successors, have been sworn in, unless he or they shall die or resign or become disqualified.

It shall be the duty of the Returning Officer to enter in a book, in alphabetical order, the names, addresses and occupations of all persons qualified to vote at said election, and such list shall be the list of the electors for such election.

Before the name of any person, other than a freeholder, shall be placed on the first voters' list, he or she shall make and sign a declaration in writing before some person authorised to administer oaths, or before the Returning Officer, setting forth his or her name, address, occupation and qualifications under the said Acts, and shall deliver the same to the Returning Officer, and the said list shall be closed on the day before nomination day, and shall then be the voters' list of the Municipality for all purposes until another list is prepared in due course.

Such list and declarations shall be open to inspection by any person within lawful hours.

Any person may complain that his name is improperly omitted from the voters' list, or that any other name is improperly inserted thereon, and may apply to any Judge of the Supreme or County Court to have his name inserted thereon or to have any names improperly inserted thereon struck off the said list. In such latter case reasonable notice, to be determined by the Judge applied to, shall be given to the person whose name is proposed to be struck off. The Judge shall hear and dispose of all such applications in a summary way, and the Returning Officer shall amend the list in accordance with the Judge's decision.

The Returning Officer shall, on the day of nomination, at 2 o'clock P.M., announce the names of the persons put in nomination in that behalf as candidates for the offices of Mayor and Aldermen, as prescribed by the "Municipal Elections Act."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place or places at which the poll shall be so opened in the Municipality, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held, the candidates (duly qualified) who shall obtain the greatest number of votes shall be Mayor and Aldermen respectively.

Every person qualified to vote shall have seven votes, being one for each Alderman to be elected, and one for Mayor, but he may vote for any less number than seven; Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall, by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said City.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates, if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Mayor or Alderman, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Mayor or Alderman shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on the first Wednesday after the day of election, at the Municipal Hall aforesaid, at 2 o'clock in the afternoon.

Until provision be made by by-law in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Clauses Act," and all the powers, privileges and duties of the Mayor and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.
